**23. License to be to: (Enter name, address and phone number)****Conditions of Issuance**

1. This license is issued under the conditions cited in 22 CFR 120 - 130, including the provisos as applicable, that:

A. It shall not be construed as implying U.S. Government approval or commitment to authorize future exports of any article (equipment or technical data) on the Munitions List, or a U.S. Government commitment with regard to any proposed manufacturing license or technical assistance agreements which may result from an authorized export.

B. If a license is issued for technical data only, it does not authorize the export of any hardware; if a license is issued for hardware only, it does not authorize the export of any technical data, unless specifically covered by an exemption.

The issuance of this license does not release the licensee from complying with other requirements of U.S. law and regulations.

2. The prior written approval of the Department of State must be obtained before U.S. Munitions List articles exported from the U.S. under license or other approval may be resold, diverted, transferred, transshipped, reshipped, reexported to, or used in any country, or by any end-user, other than that described on the license or other approval as the country of ultimate destination or the ultimate end-user.

**PROVISOS**

1. Approval is limited to replacement of identical spare parts and minor components for the inventory of the Australian Department of Defense.
2. This license may not be transferred to a consignor or manufacturer. It is solely for the Embassy of Australia.
3. Upgrades or enhancement of hardware or capabilities is not authorized under this license.
4. Export of significant military equipment (ITAR Section 120.7) is not authorized under this license.
5. Export of major components (ITAR Section 121.8 (b) is authorized under this license.
6. Spare parts and minor components for systems identified under categories of the U.S. Munitions List are not authorized under this license.
7. Tools and test equipment are considered end-items and are not approved for export under this license.
8. Maintenance on the aircraft, being a defense service, is not permitted under this license. Export of parts and components for maintenance and repair is permitted.
9. Civilian develop aircraft are not controlled under ITAR, unless they have been specifically modified for military use. In this case, only those items, which have been specifically modified, would be covered by State Department controls. Other portions of the aircraft would be controlled by the Commerce Department.

**RETURN OF LICENSE**

This license must be returned to PM/DDTC, SA-1, 12th Floor, Directorate of Defense Trade Controls, Bureau of Political-Military Affairs, U.S. Department of State, Washington, DC 20522-0112 when: (1) the total value authorized has been shipped; (2) the applicant states that there will be no further shipments; (3) the date of expiration is reached; or (4) when requested by the Directorate of Defense Trade Controls.
