23. License to be to: (Enter name, address and phone number)

Conditions of Issuance

1. This license is issued under the conditions cited in 22 CFR 120 - 130, including the provisos as applicable, that:

A. It shall not be construed as implying U.S. Government approval or commitment to authorize future exports of any article (equipment or technical data) on the Munitions List, or a U.S. Government commitment with regard to any proposed manufacturing license or technical assistance agreements which may result from an authorized export.

B. If a license is issued for technical data only, it does not authorize the export of any hardware; if a license is issued for hardware only, it does not authorize the export of any technical data, unless specifically covered by an exemption.

The issuance of this license does not release the licensee from complying with other requirements of U.S. law and regulations.

2. The prior written approval of the Department of State must be obtained before U.S. Munitions List articles exported from the U.S. under license or other approval may be resold, diverted, transferred, transshipped, reshipped, reexported to, or used in any country, or by any end-user, other than that described on the license or other approval as the country of ultimate destination or the ultimate end-user.

PROVISOS

1. Approval is limited to replacement of identical spare parts and minor components for equipment in the inventory of Australia.

2. Export of spare parts is authorized once applicant has received a valid purchase order with specific commodities, quantities and values listed.

3. Upgrades or enhancement of hardware or capabilities is not authorized under this license.

4. Export of significant military equipment (ITAR Section 120.7) is not authorized under this license.

5. Exports of major components (ITAR Section 12 1.8(b)) are not authorized under this license.

6. Spare parts and minor components for systems identified under other categories of the U.S. Munitions List, such as Category IV-missiles and bombs and Category XI-radars and avionics, are not authorized under this license.
