LIMITATIONS AND PROVISOS:

1. Approval is limited to the export of identical minor parts and components (CAT VIII h) for the repair, and maintenance airframes and aircraft engines in the inventory of the Australian Dept of Defense.
2. Upgrades or enhancements of hardware or capabilities are not authorized under this license. Export of parts is authorized
3. No resales, transfer, or re-export of the spare parts and minor components are authorized without prior authorization from the U.S. Government.
4. Export of significant military equipment (ITAR Section 120.7) is not authorized under this license.
5. Exports of major components (ITAR Section 121.8(b)) are not authorized under this license.
6. Spare parts and minor components for systems identified under other categories of the U.S. Munitions List, such as Category IV-missiles and bombs or Category XI-radars and radios, are not authorized under this license.
7. Tools and test equipment, (ITAR Cat XXI (121.8)(a)) are considered end-items and are not approved for export under this license.
8. The storage of a limited number of repair/replacement parts at a maintenance facility to support the end user is authorized. However, commercial warehousing of spare parts is not authorized. In order to operate a commercial warehouse for sale or distribution of spare parts a Warehousing and Distribution Agreement is required in accordance with 22 CFR 124.14.
9. Newcal Aviation is an ineligible party to participate in this transaction and need to be deleted from this license.
